To Whom It May Concern,

Just recently we have purchased additional pews. This is our third order from you since our Church was formed in 1985.

The quality of your work and your ability to satisfy our need are but two of the reasons we keep doing business with you.

Another reason is your sales representative, Mr. Steve Cox, who has responded so well to our many "what if" inquiries.

It is a pleasure doing business with you and we anticipate continuing our relationship for a long time.

Sincerely,

The Rev. William K. Young
Rector
