Dear Steve,

Just a note to say thanks for all the information and interest you have shown in helping us with the selection of chairs for our new sanctuary. You certainly were instrumental in making this one of the easier tasks we had in decisions on furnishings for our new building. Everyone at Chancellor responded to our requests in a timely manner and was extremely courteous and professional.

Our new chairs arrived today and they are not only beautiful, but also very comfortable. I'm sure that our congregation will enjoy them for many years.

It was a pleasure working with you and your associates at Chancellor.

Sincerely,

Pastor Jim Porter
