Dear Steve,

I just want to thank you for the outstanding job you and the Marshall Company have done in creating a beautiful atmosphere in which to worship our Lord. The pews are absolutely stunning and the workmanship is excellent. Not only that, but your service was great and the guys who installed the pews were nothing less than professional from start to finish. In a building project that had more of its fair share of problems, this was one area that was completed without a hitch.

I would wholeheartedly recommend Marshall Company to anyone who is looking for church furniture. Thanks again for all you did to make our sanctuary come to life.

Sincerely,

A handwritten signature in blue ink that reads "Rev. Pamela A. Wagner".
