To Whom It May Concern:

I am writing to express my utter satisfaction with my decision to engage the Marshall Company for the new pews for St. Peter's Church in Springerville, AZ. Right from my very first contact with Mr. Steve Cox, I was deeply impressed by his zeal and attention that he gave me. He answered all my questions and literally sold me on why I should purchase our pews from the Marshall Company. I am glad that we did. Mr. Cox called several times and kept me informed of the progress of the construction of the pews. As the finish date drew near, Mr. Cox called to inform me. I liked being kept informed. When the pews arrived, they were way beyond my expectations. They are just beautiful. All who have seen them so far feel the same. The workmanship, courtesy and installation of the pews by Gary and his associate were excellent. They are a credit to the Marshall Company.

My friend in a neighboring parish, may build a church in the next year. You can be sure that I will highly recommend and encourage him to contact Mr. Steve Cox and the Marshall Company. I sure am glad that I did!

God Bless You & The Marshall Company,

Father Patrick J. Universal
Pastor
