Re: Episcopal Church of the Epiphany
Tempe, Arizona

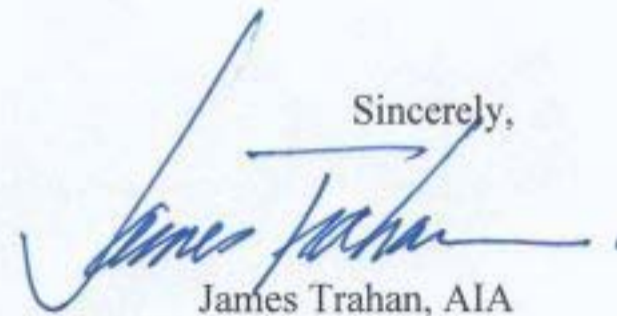

Dear Steve,

The Church of the Epiphany has selected your company to provide pews for the new church. The committee members were impressed with your product and the knowledge and experience you have in the industry.

I would like to begin working on the pew end designs later this month and formulate a final bid estimate for the work.

Thank you again for the time that you have invested in our project. We look forward to working with you and your company on the design and installation at Episcopal Church of the Epiphany.

Sincerely,

James Trahan, AIA
